

CSR-1 Registration – A Complete Guide by NGOExperts

Introduction

CSR-1 registration is a crucial step for NGOs, Section 8 companies, societies, and trusts that wish to receive Corporate Social Responsibility (CSR) funding from companies in India. At NGOExperts, we offer a seamless and professional service to help organizations complete their CSR-1 registration without stress or confusion. CSR-1 registration ensures credibility, transparency, and eligibility to participate in CSR activities mandated under the Companies Act, 2013. With our expert legal guidance, NGOs can improve their chances of receiving corporate support for social development projects while staying fully compliant with government regulations.

CSR-1 registration is filed online with the Ministry of Corporate Affairs (MCA) and must be verified by a Chartered Accountant, Company Secretary, or Cost Accountant. This registration certifies that the NGO has been legally formed and is eligible to undertake CSR projects. NGOExperts assists in preparing required documents, submission, follow-up, and troubleshooting to ensure that the application is processed smoothly and successfully.
